June 15, 2021

Dear Friend,

May was a big month! Your Family Literacy Center celebrated Executive Director Mary Wiese's 25 years of commitment to our students, volunteers, and community. With the opening of your Family Literacy Center's mid-year campaign, we are asking you to celebrate Mary's 25 years of giving by giving a gift of your own.

Your donations create change and empower people in your community. One way you can donate is through "FLC Heroes." "FLC Heroes" is a new giving program, established by our former Board Member and all-around-great-guy, Bob Erickson. It is a monthly donation program which helps your Family Literacy Center create a predictable and stable income for ongoing operations. You can join at any time and stop your monthly support at any time. You can give at ANY level and there are several ways you can join. You can set up automatic payments through your Online Bill Pay with your bank. This is a secure and time saving way to set up a recurring donation. You can also set up a recurring gift through PayPal, or the Family Literacy Center Facebook page (with no fees to FLC). You control the amount and frequency of your donation. By becoming an "FLC Hero," you will acquire the superpower of inspiring and transforming students' lives in your community. When you become an "FLC Hero," please email Executive Director Mary Wiese at M.Wiese@readlapeer.org to share your new "superpowers" and well wishes.

As always, your mail-in donation is welcome. Thank you for your willingness to change the lives of our students and honor Mary's 25 years of service to the Family Literacy Center.

With great appreciation,

Meredith Donahue
